Reindl Continues Growth with Addition of Representative in Eastern Wisconsin

Merrill, WI – August 9, 2006 – Reindl announces that Laurie Sprague has rejoined its sales staff. Laurie comes back to Reindl with 20+ years of graphic arts industry experience. Laurie has worked in a number of customer service and sales positions and has a great understanding of the current market and industry trends. She will be servicing accounts in the eastern Wisconsin area. This addition was made because of continued growth and the need to service clients and potential clients in this service area with a local representative.

Reindl has remained focused on earning the trust and patronage of clients from across the country. Our dedication to helping clients solve their graphic communication challenges has never been stronger. Our commitment to setting the standard in providing quality products and customer satisfaction has not faltered. Our purpose is unchanged: To provide maximum value to our clients while maintaining the highest ethical standards.

Reindl provides a wide range of products to corporate, retail, industrial and agency clients throughout the Midwest and nationwide. Reindl is renowned for its high-caliber corporate communications, direct mail pieces, packaging and advertising materials. However it's the commitment to customer satisfaction that sets them apart. When high technology, skilled machine operators, top-notch project management and constant awareness of the customer's needs can be found under one roof; it's a powerful combination.
